IDENTIFIED?

AN Sport Agency Training Program can support players to be ready for trial with clubs in Asian Countries for more efficiency. Also players can choose the appropriate program with 4 types various courses.

■ DOES MY AGE AFFECT CHANCE / OPTIMUM AGES / AGE

LIMITS?

In the past, the average of players getting identified has been 20-25 years old in Asia. They are looking for a player ready to go into the first team and have an immediate impact.

■ SALARIES IN PRO LEAGUES IN ASIA

Nearly half of male professionals world-wide earn less than 1000 euro a month, while three quarters of the total earn less than 4000 euro a month, if you are out of contract or this is your first contract it's important to get on the ladder and look to progress the possibility of signing a big contract is very small. Players need to be realistic that Asia is a developing football continent and is not as advanced as in Europe.

■ IN CASE OF INJURY TO PLAYER

If a player is injured at or before prior to the showcase and is deemed unable to play for more than one day, the player may attend a future showcase for a discounted rate.

■ WHAT ARE COACHES LOOKING FOR?

Ability and attitude are vital to succeed. Also you need to be identifiable as a player and have an impact in the games. AN SPORT AGENCY provides the platform but you must deliver when you get on to the pitch.
